## PURE VOLUMES, PLANNING MINIMALISM, METAL REFLECTIONS

and linear wood are the elements of the X7 line  
Volumi puri, minimalismo progettuale, riflessioni del metallo,  
metricità del legno, sono gli elementi costitutivi il progetto X7  
che coinvolge con sensazioni anche te.

REGISTERED COMMUNITY ORNAMENTAL DESIGN  
modello tutelato da brevetto ornamentale

## OUR CONCEPT OF RATIONALISM

brings you to a stylistic harmony made of signs and tracings. The close leg, the minimal thicknesses give you an authoritative desk. Il razionalismo riletto approda ad una armonia stilistica fatta di segni e tracciati. La gamba chiusa, gli spessori minimi, determinano l'autorevolezza della scrivania.

## DESK DISCOVERS PROPORTIONS.

The lightness of the structure creates an evergreen shape and solidity with a classical touch. La scrivania riscopre le proporzioni. La leggerezza della struttura crea una forma senza tempo, trasmette solidità con leggerezza di un segno di classicità.

# EACH COMPONENT, ACCESSORY,

element offers the best in terms of reliability, functionality, comfort and aesthetic pleasure. All together you get a place of communication and effectiveness.  
Ogni componente, accessorio, elemento, offre il massimo del rigore, della funzionalità, del comfort, del piacere estetico. Tutto concorre a creare un luogo che parla di comunicazione ed efficienza.

The purity of crystal, the elegant and perfect lines of the structure change the meeting and office space into a personal, comfortable and bright place.

La purezza del cristallo, le linee perfette ed eleganti della struttura, trasformano lo spazio ufficio e riunione in un luogo personale, accogliente e luminoso.

**NOBLE MATERIALS, VALUABLE FINISHES,**  
combinations and matchings, create details of technology and practicalness  
coming from the artisan care typical of the Made in Italy. Materiali nobili, finiture  
pregiate, accostamenti ed abbinamenti, creano particolari e frammenti di  
tecnologia e praticità degni della cura artigiana del made in Italy.

## INTERPRETING THE SPACE

space is an innovative way; the great working surface together with the boiserie is giving unique and different furnishing solutions.

L'interpretazione dello spazio di alta rappresentanza, un modo assolutamente innovativo. Il grande piano lavoro abbinato alla boiserie, per dar vita a soluzioni d'arredo dalla forte caratterizzazione.

New philosophy of the executive office. Innovative functional solutions and nice look synthesize a new way of interacting with the office space and the world.

Composizione che esprime la nuova filosofia dell'ufficio direzionale.

Soluzioni funzionali d'avanguardia e immagine importante sintetizzano un nuovo modo d'operare con l'ufficio e il mondo.

Aesthetics, functionality and technology match the needs of the manager who is looking for a practical solution of his life style and his way to manage his work.

Estetica, funzionalità e tecnologia si fondono alle esigenze del manager che cerca nell'arredo la soluzione concreta del proprio stile e del proprio modo di gestire il lavoro.

## INNOVATIVE MATCHINGS LET YOU

have perfect furniture pieces which can be flexible with any environment.  
The big crystal top amplifies the working space. Innovativi accostamenti  
materici danno forma ad elementi d'arredo perfetti ed adattabili a qualsiasi  
ambiente. Il grande piano in cristallo dilata e amplifica lo spazio.

## THE DESK IS AN OVERVIEW OF SHAPE, MATERIALS AND TECHNOLOGY:

the overview is reached thanks to the essential design, the use of crystal together with wooden finishes. Expression of style and comfort.

La scrivania vuol essere sintesi tra forma, materiali e tecnologia: sintesi raggiunta grazie all'essenziale design, grazie all'utilizzo del cristallo in abbinamento alle essenze lignee. Espressione concreta di stile e di comfort.

## TECHNOLOGY, DESIGN AND MATERIALS USED FOR THE OFFICE FURNITURE

can be adapted to the whole needs of the managing job, transforming the operative space into a cool meeting place.

Tecnologia, design e materiali trasformano il sistema d'arredo adattandolo alle complesse esigenze dell'attività manageriale, trasformando lo spazio operativo in luogo di incontri importanti.

# PROPORTIONS, ERGONOMIC AND TECHNICAL SOLUTIONS

together with comfort, aesthetics,  
answer the complex  
needs of meeting together.

Proporzioni, rapporti e soluzioni  
ergonomiche e tecniche, si intrecciano  
alla comodità e ai canoni estetici,  
per rispondere alle complesse  
necessità del riunirsi.

# FROM REFLECTIONS OF GLASS TO THE WARMTH OF WOOD.

Two ways for interpreting space and meetings around a big table which becomes a working area.

Dalle riflessioni del vetro al calore del legno. Due modi di interpretare spazio e incontri. Riunioni intorno al grande tavolo composto che diviene postazione di lavoro.

Different solutions to fit our working tools. The boiserie with chromed inserts, crystal shelves and wooden bottoms is the furnishing element in perfect balance with the working place.

Diverse soluzioni al contenimento. La boiserie con inserimenti cromati, ripiani di cristallo e fondali lignei, è l'elemento d'arredo in perfetto equilibrio con il posto lavoro caratterizzato dalla severa proporzione delle geometrie.

Shapes, types, uses and capabilities  
are features of this collection.

Materials, chromed matchings,  
colour matches and different  
materials create unlimited  
possibilities of compositions and  
solutions.

Forme, tipologie, usi e capacità  
fanno del contenimento un elemento  
fondamentale della collezione.

Materiali, accostamenti cromatici,  
abbinamento del colore e materiali  
diversi creano infinite possibilità di  
composizioni e soluzioni.

# CONTAINING, FILING AND WORKING.

Daily habits become elements of the furniture connecting the operative office to the complex needs of the managing activities.

Contenere, archiviare, lavorare. I gesti quotidiani diventano elementi costituenti il sistema arredo, trasferendo la filosofia dell'ufficio operativo alle complesse esigenze dell'attività manageriale.

Finishes and technical solutions first of all, for giving the right impact to the whole project of the range.

Details of a functional system for solving functionally the wiring of the working place following the technological evolution.

Finiture e soluzioni tecniche in primo piano, per dare il giusto risalto al progetto globale della collezione.

Dettagli di un sistema funzionale per risolvere in modo funzionale il cablaggio del posto lavoro al passo con l'evoluzione tecnologica.

## DETAILS IN ORDER TO FOLLOW THE WORKING NEEDS.

Filing cabinets, boiseries, storage units, mobile credenzas, each item is part of the environment where aesthetics combine with practicalness.

Dettagli per rispondere alle necessità del buon lavoro.

Gli elementi destinati all'archiviazione, boiseries, contenitori, mobili di servizio, ogni elemento partecipa alla creazione di un ambiente in cui si fondono valore d'uso e coerenza estetica.
